Riding the world's most amazing roads in the highest and most spectacular part of the Alps.

The Alps are the fantasy of every motorcyclist and with a fairly long tour like this one you get a very good impression of it. The most important alpine countries are on our itinerary, Austria, Switzerland, France and Italy. This is where the highest passes, the most spectacular roads and the most magnificent panoramas await you. Here we collect passes like other people collect stamps, the crème de la crème of the world's best motorcycle roads is waiting for us, hundreds and hundreds of hairpin bends, one more beautiful and more fun than the other. For an experienced motorcyclist, this is the ultimate pleasure!

We start in Tyrol, cross the whole of Switzerland and finally arrive in France, where we circumnavigate the eternally snow-covered mountain giant Montblanc. After that, we enter Italian soil to enjoy orchards are in full bloom and the smell of the world's best espresso. Did somebody say paradise? Could be right here, perhaps in the middle of the incomparable Dolomites where we spend a rest day before we continue and return to Austria, where the oldest panorama road in the world is waiting to take us up the Grossglockner. This stretch is so fantastic and the mountain world around us so breathtaking that one could suspect paradise right here. At the end of the tour we all agree, for motorcyclists, paradise is everywhere where there are beautiful landscapes and winding roads. Like here.

Testimonials

Grand Alps Tour

My participation in the Grand Alps tour has truly been a nice experience. I wanted to ride on an Edelweiss tour for a long time already and the best destination to choose for a first trip must be the Alps. That is why I decided to travel to Seefeld (Austria) and to start the Grand Alps Tour there. Getting to know people from Australia, Canada, Brazil and the USA was amazing and our group had a great time together. We all wanted to enjoy the landscapes, the roads, the food and the culture and our tour guides did a perfect job satisfying our needs. Riding across those gigantic mountains and going up and down so many times a day was just the best. In between all those passes the guides have chosen the right restaurants with delicious food. Every day offered us a magnificent surprise and every single mile we rode was just stunning. The Alps are great, the Dolomites are awesome and Italy, Switzerland, France and Austria towns are like fables. There don't exist the right words to express my feelings and the time I have had at the GRAND ALPS TOUR. 2,500 miles full of happiness. I really recommend it and will surely ride again with Edelweiss.
