

In terms of culture, history and sightseeing, this motorcycle tour is our number one!

This tour across East-Central Europe features six amazing countries, five spectacular cities, five different languages, four different currencies, dozens of castles, several mountain ranges, a handful of national parks and a bucketful of history around every corner.

The blue Danube accompanies us out of Vienna. Budweis, the city of beer, and Český Krumlov, a picturesque medieval town, welcome us to the Czech Republic. And then Prague: Words can't describe it – you have to see it yourself to believe it. Dresden, destroyed during World War II, rose again like a phoenix from the ashes, while Cracow, the secret capital of Poland, escaped undamaged and evolved into the most beautiful city East of Paris.

Riding around the Bloc

” The team of Edelweiss Bike Travel wants to say thank you to Constantin Mouzouris for participating in our Kings and Castles Tour and for putting together such a great report about our tour in the December issue 2015 of Motorcycle Mojo. “

Kings and Castles Tour

” In 2014, I had the opportunity to enjoy two back-to-back motorcycle adventures with Edelweiss. The first one was a ride through Eastern Europe on the 'Kings and Castles Tour'. Having earlier visited these same countries when they were still behind the Iron Curtain, I was pleased and amazed to witness the progress that has been achieved since the Berlin Wall came tumbling down in 1989. And did we see castles and palaces? There must be no other place on earth with such historic and lavish living accommodations. Following this tour, I enjoyed a train ride across Austria to link up with the group with whom I would enjoy a week of spirited riding in the Alps on Zero brand electric motorcycles. I learnt that electric motorcycles are wonderfully powerful and satisfying when employed to enjoy the variety of roads that abound in the Alps. Every lunch stop was arranged to accommodate the recharging needs of the bikes, and absolutely no one was stranded with a bike that ran out of 'juice'. I've been a fan of Edelweiss Bike Travel tours since my first trip with them in 1984. Both they and I have I think aged gracefully and positively, and retain the ability to give as good as we get.
