

Scouting in the Alps on a Vespa, can that be fun? Of course!

Seefeld, in the centre of the Tyrolean mountains, is the ideal starting point for our scooter tour through Tyrol. During five great riding days we will get to know a large part of the #1 Austrian holiday region. Of course we will also pay a visit to the neighboring regions of South Tyrol and Bavaria. Our scooters are the ideal vehicle to visit both nature and historical cities. Already on the first days we will explore the Bavarian foothills of the Alps with its diverse lakes and let us be enchanted by the history of King Ludwig and especially by his magnificent buildings. Enchanting is the right word for this tour.

The old town of Innsbruck with the Golden Roof or the medieval city of Hall will cast a spell over us. A visit to the world famous Kristallwelten of Swarovski World will provide for a bit of modern shine. The greatest dramaturge on this tour, is, however, Mother Nature herself. Tyrol, embedded in the centre of the Alps, offers spectacular rural impressions and so it is not surprising that our trips to the Timmelsjoch or the Kaunertal Glacier will forever remain in our memories.
