

Come with me and let yourself be enchanted by Greece, the cradle of western culture!

Ancient Greece is the cradle of our civilization, our culture, and society. Countless words that we use every day are derived from Greek, such as automobile, cosmos, democracy, atmosphere, politics, telephone, anesthesia, or panorama, to name just a few. The ancient Greeks not only influenced science, art, and literature, they practically invented them.

Athens, the capital, is filled with history, monuments, and memorials like no other city in the world. Except for Rome maybe, but this is a different tour. On this tour here you will experience some of the great attractions of Greece, such as Delphi, Olympia, and the Meteora monasteries for example. But also gems, that not every traveler will find, are on the program, such as the Pindos Mountains or the enchanting mountain village Vytina, where we will even spend two nights.

In the fourteen days, you will get to know everything that defines real Greece: 3000 years of culture, stunning nature, excellent food, and extremely friendly people, not to mention the always beautiful weather and the wonderfully winding, mostly empty and always panoramic roads who really enjoy riding a motorcycle. And every time you sit in a kafenion and enjoy your espresso, you can look forward to being on tour in a paradise like Greece. If the ancient Greeks only knew ...

Testimonials

Expect the unexpected!

“ Our tour began with meeting the guides, who gave us a safety briefing and an overview of the tour. Booklets, a hotel list, and a map of Greece were mailed to us in advance, but if I'm honest, I barely looked at them. The experts at Edelweiss have been running motorcycle tours since 1980, and they know what they're doing. Since they take care of the preparation and planning, I enjoy letting the tour unfold from one day to the next.
