

A motorcycle tour that combines 3,000 years of history with lots of spectacular riding fun.

Greece has always been a dream destination. Sunbathers, history buffs and “outdoor actives”, they all find their respective paradises along the endless golden beaches and the rugged mountains of this amazing country that is dotted with ancient sites like no other place on earth. After all, Greece is the cradle of democracy and of civilization as we know it.

In just a few short days we can only scratch the surface of course, but on this tour we scratch it thoroughly: Athens, Delphi, Olympia, Mycenae, Corinth and the world-famous monasteries of Meteora are on our bucket list and the amazing roads that connect all these dots won't be forgotten either.

But our tour encompasses more than just Greece. Albania, Macedonia and Montenegro are white spots on most people's maps, their history, landscapes, cultures and cuisines are yet to be discovered. Come and discover them with us, on a motorcycle, and let yourself be enchanted by Greece and the southern Balkans and the amazing combination of history and riding fun.
