

### Breath-taking landscapes, unique nature and the famous Aussie lifestyle.

Our journey starts in Sydney, Australia's largest city. It is certainly not a bad idea to arrive one or two days earlier to see all the highlights, such as the world-famous opera house or the harbor bridge before heading out to the Australian Alps.

We leave Sydney heading south, following the mountains of the Great Dividing Range and enjoying the winding roads. Once in Melbourne, the ferry will transfer to Devonport in Tasmania overnight. Tasmania is a dream for every motorcyclist. Varied roads, low traffic, landscapes of every taste and just great people. After a few days in Tasmania we head back to Melbourne to crown our journey with a loop around the Great Ocean Road. From the culinary point of view, the south of Australia and Tasmania are a fireworks display for the taste buds: fresh oysters and fish, juicy steaks and excellent wines make your mouth water. Whales, koalas and kangaroos - with a bit of luck you can catch a glimpse of these and many other animals in this huge outdoor zoo. A real motorcycle tour for all senses.
