Take the Italian landscape and combine it with history, wine, and amazing roads.

On this extraordinary "Royal" tour across the Alps, we not only focus on diverse landscapes and wonderful motorcycle routes, but also on selected culinary delights, small delicacies along the way, very special hotels, inns, and restaurants, which are even more special than on our „ regular" tours. Enjoyment with all senses is at the center of our attention, we see the deep blue water of Lake Garda and the snow-covered peaks of the High Alps, we smell delicious cappuccino and taste heavenly wine, grappa and prosecco. In Verona we hear Romeo serenading his Juliet. We will feel the leaning angle of our bikes while riding through the endless curves and the warmth of the sun shining from the - hopefully - bright blue sky. All this together makes up the famous dolce vita, that priceless feeling when all that is good and beautiful gathers around you, and you wish the days – and the roads – would never end. When ripe grapes grow straight into your mouth, even in the form of wine, when one perfect motorcycle road is followed by another and when you don't have to make any other decisions than Rosso or Bianco. Bassano del Grappa, Lago di Garda and Passo dello Mendola sound like music to your ears? Then this decadent royal pleasure tour through northern Italy is just the right thing for you! And the legendary Stelvio is on our list, too!
