

Starting in Milan, we already have the pleasure of exploring one of Italy's most fascinating towns, fashion hub and location of the annual motorcycle trade fair EICMA. From here, we start our journey to every motorcycle rider's paradise.

Curvy roads take us all the way to Switzerland and back into Italy – including the curviest mountain pass of all, the 48 switchbacks to the top of the Stelvio Pass! Now we reached the famous Dolomites and we will enjoy every single curve! All of a sudden, the climate becomes more Mediterranean, palm trees grow along the lake shore and if you want to, you can even go for a swim.

But maybe we should also spend some time exploring the cozy little Italian restaurants which are hidden in the small alleys of the historic city centers and try some world-famous wines, seafood or pasta. Shopping is another option: Italian leather jackets, handbags or stylish leather riding suits are a great souvenir to take home. Italy – what a magical country!
