

Enjoy the highest mountains, the most beautiful lakes and the many passes of the Alps.

If there is a place on earth that's made for the eye, the camera and our bikes, then it is surely the Alps. We know this region very well, it is our home, and we make sure you don't miss a single experience. We'll pick up the motorcycles in the Edelweiss hometown of Mieming and enjoy the first challenging mountain passes on our way to Pontresina, Switzerland. From there we explore more of the wonderful roads the Swiss Alps have to offer until we reach Brunnen. The road to Brunnen is already spectacular and the town itself is a highlight with its view on the lake Vierwaldstättersee. The next day we're off to Zermatt, where you can watch in awe as the setting sun colors the snow-covered Matterhorn in a deep crimson. And it's getting even more enchanting.

Lugano in Italy is where we go next and this place is simply indescribable – the pictures taken in Lugano will surely decorate your walls at home for the rest of your life. Then we head to the Val di Sole and on to Klobenstein/Bolzano, through the beautiful Dolomites. If you could take only one Alpine motorcycle trip in your life, this is the one we would recommend.

Testimonials

The Ultimate Alps Tour

” The most important aspect of travelling is the journey. And Edelweiss Bike Travel made sure our participation in the Ultimate Alps Tour is a memorable one. The tour was not just wonderful because of the quality bikes, we stayed in great hotels, could experience challenging routes and travel with people who have the same attitude than we do. And the tour guides were great too. We had an outstanding trip experience and have collected so many postcard-like pictures which are saved on our cameras and in our minds. Well done Edelweiss – keep up the good work and excellent customer service. We will be back soon!
