

Ride with Edelweiss to the end of the world in Ushuaia!

Are you dreaming of travelling to untouched places in Argentina and Chile, where you can marvel at the beauty of national parks, mountains, lakes and glaciers and where you take a deep impression of the gauchos life and culture? Then come with us on our motorcycle adventure Patagonia! We start in the small city of Osorno in the South of Chile. Riding North, we make a quick stop in Pucón at the Villarrica Lake and then cross the border to Argentina.

Through the beautiful lake district we make our way to San Martín de los Andes – a truly beautiful place – before we ride along the Ruta 40 and eventually reach El Bolsón, Argentina's Hippie town. Our next destination is the little mountain village of Futaleufú, just across the border to Chile, where world-famous highlights such as the glacier Perito Mureno at El Calafate or the national park Torres des Paine are waiting for us. Don't forget to bring enough memory cards for your camera, because it's just unique and beautiful what mother nature has to offer for us here.

After crossing the Strait of Magellan and entering fire land, we take a ride in remote and truly untouched areas before finally reaching the end of the world, Ushuaia.

Testimonials

Adventure Patagonia

“ We have toured the world by motorcycle for many years and always dreamed of doing a trip to Patagonia. We had been told so many times how incredible that part of the world is. Though we are experienced motorcycle tourists through most of Europe, we finally decided that doing this trip on our own would be a little too adventurous. We did some research at a local motorcycle event and chose Edelweiss as our host. At the beginning of 2014 we finally took the adventure - and it was awesome. Beautiful landscapes, spectacular and well-organized routes, great tour guides, good accommodations and an awesome camaraderie among the entire group made this trip truly memorable. Even the weather was perfect, as we had just one day of rain in three weeks. Our trip to the end of the world could not have been any better. We highly recommend taking the Adventure Patagonia Tour with Edelweiss! Words can't describe the experience or how much you learn about yourself when doing such a travel.

Adventure Patagonia

“ My experience with Edelweiss Bike Travel has been wonderful on several tours already. What amazes us is the variety of tours and destinations my wife and I could take and all those wonderful places where one can enjoy the best thing in life: motorcycling. We would like to thank the company for giving us the opportunity to meet new and great friends and to discover the world in a different way.
