¡Conducir con Edelweiss hasta el fin del mundo en Ushuaia!

¿Sueña con viajar a lugares vírgenes de Argentina y Chile, donde podrá maravillarse con la belleza de parques nacionales, montañas, lagos y glaciares y donde tendrá una profunda impresión de la vida y la cultura gauchos? ¡Entonces venga con nosotros en nuestra aventura en motocicleta en Patagonia! Comenzamos en la pequeña ciudad de Osorno en el sur de Chile. Conduciendo hacia el norte, hacemos una parada rápida en Pucón en el Lago Villarrica y luego cruzamos la frontera a Argentina.

A través del hermoso distrito lacuder nos dirigimos a San Martín de los Andes, un lugar verdaderamente hermoso, antes de recorrer la Ruta 40 y finalmente llegar a El Bolsón, la ciudad hippie argentina. Nuestro próximo destino es el pequeño pueblo de montaña de Futaleufú, justo al otro lado de la frontera con Chile, donde nos esperan lugares destacados de fama mundial como el glaciar Perito Mureno en El Calafate o el parque nacional Torres des Paine. No se olvide de traer suficientes tarjetas de memoria para su cámara, porque es simplemente único y hermoso lo que la madre naturaleza tiene para ofrecer para nosotros aquí. Después de cruzar el Estrecho de Magallanes y entrar en tierra de fuego, damos un paseo en áreas remotas y verdaderamente vírgenes antes de llegar finalmente al fin del mundo, Ushuaia.

Testimonios

Adventure Patagonia

We have toured the world by motorcycle for many years and always dreamed of doing a trip to Patagonia. We had been told so many times how incredible that part of the world is. Though we are experienced motorcycle tourists through most of Europe, we finally decided that doing this trip on our own would be a little too adventurous. We did some research at a local motorcycle event and chose Edelweiss as our host. At the beginning of 2014 we finally took the adventure - and it was awesome. Beautiful landscapes, spectacular and well-organized routes, great tour guides, good accommodations and an awesome camaraderie among the entire group made this trip truly memorable. Even the weather was perfect, as we had just one day of rain in three weeks. Our trip to the end of the world could not have been any better. We highly recommend taking the Adventure Patagonia Tour with Edelweiss! Words can't describe the experience or how much you learn about yourself when doing such a travel.

Adventure Patagonia

My experience with Edelweiss Bike Travel has been wonderful on several tours already. What amazes us is the variety of tours and destinations my wife and I could take and all those wonderful places where one can enjoy the best thing in life: motorcycling. We would like to thank the company for giving us the opportunity to meet new and great friends and to discover the world in a different way.
