

En términos de cultura, historia y turismo, este tour en motocicleta es nuestro número uno!

Este tour por Europa Central-Oriental cuenta con seis increíbles países, cinco ciudades espectaculares, cinco idiomas diferentes, cuatro monedas diferentes, docenas de castillos, varias cordilleras, un puñado de parques nacionales y un balde de historia alrededor de cada Esquina.

El Danubio azul nos acompaña fuera de Viena. Budweis, la ciudad de la cerveza, y la ciudad de Esky Krumlov, una pintoresca ciudad medieval, nos dan la bienvenida a la República Checa. Y luego Praga: Las palabras no pueden describirlo, tienes que verlo tú mismo para creerlo. Dresden, destruido durante la Segunda Guerra Mundial, se levantó de nuevo como un fénix de las cenizas, mientras que Cracovia, la capital secreta de Polonia, escapó sin daños y evolucionó como la ciudad más hermosa al este de París.

Testimonios

Riding around the Bloc

” The team of Edelweiss Bike Travel wants to say thank you to Constantin Mouzouris for participating in our Kings and Castles Tour and for putting together such a great report about our tour in the December issue 2015 of Motorcycle Mojo. Published with the permission of Motorcycle Mojo for Edelweiss Bike Travel. Not for resale or distribution.

Constantin Mouzouris

“

Kings and Castles Tour

” In 2014, I had the opportunity to enjoy two back-to-back motorcycle adventures with Edelweiss. The first one was a ride through Eastern Europe on the 'Kings and Castles Tour'. Having earlier visited these same countries when they were still behind the Iron Curtain, I was pleased and amazed to witness the progress that has been achieved since the Berlin Wall came tumbling down in 1989. And did we see castles and palaces? There must be no other place on earth with such historic and lavish living accommodations. Following this tour, I enjoyed a train ride across Austria to link up with the group with whom I would enjoy a week of spirited riding in the Alps on Zero brand electric motorcycles. I learnt that electric motorcycles are wonderfully powerful and satisfying when employed to enjoy the variety of roads that abound in the Alps. Every lunch stop was arranged to accommodate the recharging needs of the bikes, and absolutely no one was stranded with a bike that ran out of 'juice'. I've been a fan of Edelweiss Bike Travel tours since my first trip with them in 1984. Both they and I have I think aged gracefully and positively, and retain the ability to give as good as we get.

Gary Prickett, United States of America
