" Enjoy Barcelona"

Barcelona is one of the most beautiful cities in Europe, full of history and culture. But what makes it so special is the Mediterranean lifestyle, which you feel in every single corner of the city and the mixture of modern and historic buildings.

There is so much to see and do in Barcelona that it is hard to decide where to visit and what to see and do on any given day.

However, you can take it easy, because your Edelweiss tour guide will take you by the hand and will show you some secrets and a very personal view of the city.
