Carreteras de montaña curvas - de eso se trata en este recorrido por los Alpes. ¡No se lo pierda!

Si usted está buscando una excursión de una semana a las carreteras más exigentes en los Alpes, entonces este recorrido en motocicleta está hecho para usted. Experimente emocionantes caminos de serpentina, montañas y pintorescos pueblos alpinos.

El primer día de nuestro tour nos lleva desde Múnich hasta el Paso del Grossglockner para nuestras primeras curvas en serpentina. Imagine formaciones rocosas irregulares que se elevan hacia el cielo, enmarcadas por carreteras curvas y bien cuidadas. En el segundo día conducimos las Dolomitas, una región en los Alpes italianos conocida por su espectacular paisaje. Durante nuestro día de descanso en Bolzano, usted tendrá la oportunidad de ver aún más de eso. Luego llegamos a la carretera más famosa de los Alpes: El Paso Stelvio, con un total de 87 cambios. ¡Una experiencia simplemente inolvidable!

Atravesando Suiza, Liechtenstein y Austria, el recorrisd del día siguiente le emocionará con sus espectaculares vistas y un fabuloso picnic de Edelweiss servido en una hermosa zona rodeada por los altos picos de los Alpes. En nuestro último día de conducción, visitamos uno de los castillos de cuento de hadas del rey Luis de Baviera. ¡Esta semana pasará rápidamente, pero los recuerdos durarán toda la vida!

An absolutely amazing tour

What an absolutely amazing tour; everything was just awesome! I wanted to attach a link to my ride report if anyone is interested: http://www.mikef5000.com/2017-europe-trip.html

Thank you all so much! I don't know how it could've been any better.

I don't know if this is the best place to leave a glowing review, but it's the first I have found. My sons and I were on this ride, and all I can say is that it was a magical experience. Simply riding a motorcycle in that environment alone would be spectacular. Add to it the excellent guiding, the beautiful stops,the luggage that magically was in your hotel room each night before we were, the food, the drink, the other riders, and the beautiful hotels and cities where we stayed, and you have a truly divine experience. Gottfried and Bjorn (I can't find the umlaut on my keyboard!) were excellent at the herding of cats as it were, as well as providing valuable suggestions about things from riding to night time entertainment. I cannot thank Edelweiss enough for providing such a great experience.
I would also like to say that the experience of booking, and the communications prior to the trip were also quite pleasant and cheerfully executed by Viktoria. She was always so sweet and helpful.
One thing that I did, and am SO glad that I did, was to equip myself and my sons with helmet communicators. If you travel with a friend, definitely do that. You will see so many things that you want to "ooh and ahhh" over, and it's fun to share the experience. It was also nice to get a heads up about the truck coming around the mountain turn!
Thank you again to Edelweiss, Bjorn, Gottfried, And Viktoria.

High Alpine Tour

I have wanted to go on this High Alpine Tour with Edelweiss for over 10 years … and finally made the call to confirm my trip. As time flies by all of us the next thing I know was landing in Germany and waiting for a taxi to the hotel. Also, I opted to get there a couple of days early to shake off the jet lag and to take part in the Guided City Tour of Munich, which was spectacular. Our group has been represented by six countries and the tour guides did speak all of the languages needed to communicate with everybody. Großglockner pass is the most spectacular place on earth and from there we went off to the Dolomites in Italy and all the beautiful vineyards. We did ride over smooth hills and dense forest and have seen a beautiful lake where our group could enjoy a famous Edelweiss picnic. Edelweiss is top notch and the best company for setting up a trip like this – the tour was exactly what life should be about every day, with people who care!
