¡Increíbles superficies para conducir, glaciares, volcanes y palmeras!

Nueva Zelanda, también conocido como el "Paradise Down Under", ofrece todo lo que podría anhelar en un destino de vacaciones: montañas y glaciares, costas salvajes y largas playas de arena, una selva tropical y aguas termales. Es el hogar de una interesante cultura indígena y de las personas más amigables que se puede imaginar. Nueva Zelanda es el paraíso para los motociclistas, porque las carreteras son hermosas, bien mantenidas, y en su mayoría vacías. Este tour en motocicleta le presentará todos los principales puntos destacados de Nueva Zelanda: la Torre del Cielo en Auckland, las aguas termales en Rotorua, el distrito Art Déco en Napier, museos, las esquinas más bellas de Wellington, el ferry-crucero a través del estrecho de Cook, el espectacular Queen Charlotte Drive, la salvaje costa oeste, la selva tropical y los glaciares que corren a través de ella, el increíblemente hermoso Milford Sound y la impresionante vista al Monte Cook, la montaña más alta de Nueva Zelanda.

¿Quiere quedarse más tiempo? La extensión del tour que comienza en Auckland le llevará más al norte hasta el cabo Reinga y de allí de vuelta a Auckland.

New Zealand Tour

The end of a trip like this New Zealand motorcycle tour is truly bittersweet. Great new friends, a new country visited and so many learning moments. It's simply an experience that cannot be easily replicated without the dedication of a service provider like Edelweiss Bike Travel. May the friendships blossom and grow, may the experiences continue to increase in number and may the memories bring smiles to faces for years to come. Thanks for the memories!

New Zealand Tour

We continue to do Edelweiss trips because we simply love them. The mystique of New Zealand had always placed it on my bucket list and we had talked to enough other Edelweiss touring friends to know we would not be disappointed with the New Zealand tour… and we weren't! Besides great new friends and tour guides, New Zealand offered the beauty of Colorado and the "wild and wonderful" of West Virginia.

New Zealand Tour

For Silvana and me, riding through New Zealand – or as the natives call it: "Aotearoa" – was the experience of a lifetime! The "land of the great white cloud" offered everything we could have hoped, and all those incredibly scenic roads will be saved in our memories forever. We had the pleasure of seeing wonderful blue lakes, enormous mountains, green valleys and meeting friendly people. Sometimes there was no one around and we felt like we were discovering a new and unknown country. Edelweiss has chosen the best of all routes, excellent hotels, and stops at places which are of great interest – all of which guaranteed that we would enjoy this tour to the fullest. We have completed seven tours with Edelweiss Bike Travel so far and, if we could do only one of them again, it would be New Zealand in a heart beat!

New Zealand Tour

Our participation in Edelweiss' New Zealand tour was just great. The overall organization was fantastic and our group consisted of wonderful people from the world over. When starting the tour on the South Island we got to see beautiful places like Lake Wanaka and the Fox Glacier, and visited exciting cities like Queenstown. We experienced all this while being taken good care of by Edelweiss and its tour guides, Thomas and Katharina – thank you. This was our third tour with Edelweiss Bike Travel and my wife, Hana, and I are ready to sign up for the next one – we are just too happy.
