

A lo largo, a través y alrededor de los fiordos más famosos del mundo: ¡Esto es motociclismo en Noruega!

Increíble paisaje y poco tráfico en hermosas carreteras hacen que este recorrido en motocicleta sea tan especial. Nuestra base de operaciones es la ciudad de Alesund, una pequeña y encantadora ciudad construida en una península rocosa. Desde aquí comenzamos nuestro recorrido en moto con una visita a la isla de aves de Runde, que es el hogar de más de medio millón de aves. El día siguiente se caracteriza por la belleza de Geirangerfjord y la carretera con el mismo nombre, que es tan espectacular como el fiordo en sí. Al día siguiente subiremos por la escalera del troll, la carretera más famosa de Noruega y uno de los puertos de montaña más extremos de Europa.

Otro día, otro camino: La Carretera del Atlántico está esperando. Ocho puentes azotados por tormentas conectan una serie de islas, un espectáculo y un paseo para contemplar. Por último, pero no menos importante, el "Fjord-Loop" nos lleva a las islas devastadas por el viento cerca de Kristiansund, con no menos de diez fiordos. Al final de esta semana no hay noche oscura, sino una noche de despedida brillante, ya que el sol nunca se pone en el horizonte de Noruega.

Testimonios

Touring Center Norway

” Every now and then we, as human beings, do something rather memorable. Many times it involves a vacation trip of a very special nature. For my wife, Claudia, and I, our Edelweiss Touring Center Norway motorcycle trip during July, 2015 was such an event. We've done a lot of motorcycling over the past 45 years, including a full-circle U.S.A. ride, but this was our first organized ride with a motorcycle touring company ... and it was well worth every cent spent! It's all about meeting new people and seeing new places, and Edelweiss does a great job of providing the opportunity in the best way possible ... on two wheels! It's really not fair that any one country should be blessed with so many kilometers of stunningly beautiful riding roads and scenery, and that so much of it can be enjoyed so easily utilizing Edelweiss' Touring Center concept, but such is the case in Norway. Our hotel in Alesund was first rate, and in the capable hands of our Italian guide, Manuel, we were stress free to the point where all we had to do was focus on riding and enjoying the whole experience ... no worries, mate! We'll take that kind of responsibility any day! We'd like to see Edelweiss expand its Touring Center concept beyond Norway and the Dolomites, and we hope that Manuel is still leading tours when he's in his 60's. Speaking of the Touring Center Dolomites ... hmmm ... 2016 is upon us!
