

A week on a scooter around and through the city of music, that's the Vienna Scooter tour!

Vienna is a cultural hotspot no matter what it is you are interested in. The city is modern and lively but also has its sleepy, village corners where the Viennese coziness is at home. Whether downtown or suburban „heuriger“ (tavern) with our scooters we will always find a place to park and can plunge right into the city's soul. We are accommodated at the edge of the city center and start our tours around and in Vienna from here. The location also allows us to explore the surrounding area on foot in the evening, and here historical splendor from imperial times awaits us on one side with inviting bars and promenades, while on the other side the village suburbs invite you to visit a Heuriger. We will explore the most beautiful and varying landscapes from the Steppe lake to the mountains around Vienna on four days of riding, numerous castles and palaces await us for a coffee or photo stop, and small winding roads guide us through the Viennese forest and Viennese vineyards to the beautiful blue Danube. One day we will spend to explore the city itself, a visit to Schönbrunn and a stop in the Wienerprater are a must! If you want to explore more of the city, you're welcome to take your scooter and stay where and for as long as you like. Imperial splendor, music, small streets and good wine from the city, sounds almost like a God in France but no....it is with the scooter in Vienna!

Testimonials

Scooter Tour Vienna

“ We thoroughly enjoyed this scooter tour – the riding was very varied through vineyards, meadows and forests and hills with hairpin bends. There was plenty to see – palaces and castles, graveyards and gasometer city. Everyday lots of scenic stops for coffee and an opportunity to try the 10 most delicious Austrian cakes. Vienna is a beautiful city and it was interesting to join the city traffic and see the historic buildings and make a short ferry crossing of the Danube with our scooters. It would be perfect to book an extra day at the end if you want to visit a few museums and see the beautiful Klimt paintings. Great trip!

“
