

This Tour in Northern Thailand guarantees riding fun in exotic surrounding.

On this fantastic motorcycle trip, you will ride some of the best roads in South-East Asia. It is unbelievable how many curves there are in northern Thailand. Beautiful temples, exotic nature and foreign culture with smiling people accompany you on this trip and the riding will surely exceed your expectations.

Our tour starts in Chiang Mai – you should arrive one day earlier to explore the city – heading East to the Nan Region, where perfect motorcycle roads in breath-taking scenery and lots of cultures are waiting for you. We continue in direction North to the Mekong river, the lifeline of South-East Asia, and visit the famous Golden Triangle. On former smuggling trails, we ride through the jungle along the border to Myanmar and hardly see any other vehicle. The road to Pai is called the road of the thousand curves and is so much fun to ride. Many thousands of curves later we arrive again in Chiang Mai and look back to an unbelievable motorcycle experience in the country of smile.

Indochina

Thailand klingt nach Badeurlaub, Laos nach Buddhismus. Das beide Länder wesentlich mehr bieten, hat Alexander Seger (Text und Fotos) erkundet und dabei prachtvoll Tempel in dichtem Dschungel, die schönste Stadt Südasiens, entlegene Bergregionen und das ehemals größte Opium-Anbaugebiet der Welt entdeckt.
