

Through the wildest parts of Europe in two weeks - true adventure can be so close!

All of Europe is developed, domesticated, and tamed. All of it? No, in the southeast, on the Balkan peninsula, there are still nameless mountains and unregulated streams and wolves and bears, roaming the remote ranges which reach elevations of up to 3,000 meters.

Stunning roads, tracks and trails crisscross this wilderness and provide plenty of riding fun; after all, this is an ADVENTURE tour! But that doesn't mean you can't immerse yourself in the culture of your host countries and visit highlights like the famous Plitvice Lakes, the huge orthodox cathedral in Belgrade, or the fortress in Sisak. It also doesn't mean that you can't enjoy local culinary delights like Čevapčići, Pljeskavica, or Trilece cake. It does mean, though, that you should be prepared for some intense riding on roads which can be challenging at times, and for all kinds of amazing experiences in each of the eight countries we visit on this tour.

Bring an adventurous spirit and an open mind. Oh, and a spacious wallet, we will be dealing with no less than seven different currencies...
