

A tour of Andalusia is about tapas, wine, and scenery - and about never-ending twisties!

Andalusia, the land of passion, flamenco, and high spirits, shows itself at its best and is only waiting for us to be discovered!

Our first tour stage leads us to Granada, where we will enjoy the wonderful view of the Alhambra castle in front of the snow-covered Sierra Nevada. From Granada, we will continue our ride to Antequera. From here the road meanders through rolling hills covered with olive and almond trees where you can watch black fighting bulls rubbing their backs lazily on rough cork oaks. Our next destination is the spectacular town of Ronda, situated on both sides of the deep, narrow Tajo Canyon. Your jaw will surely drop open in the impressive arena in Ronda: Here are the roots of the classic bullfights and even today bullfights take place there. Eventually, the last day of our tour has come: a ride through the Sierras and along the beautiful white beaches of the Mediterranean.

Even though the total route seems to be short at first sight, we will have enough time to ride the most beautiful roads of Andalusia and experience Spain's soul with all its facets.

Andalusia Tour

” Motorcycling in Andalusia with Edelweiss has been a fulfilling experience for all my senses and interests. The region offers swirling wide roads with less to no traffic, as well as narrow ones amidst mountains and forests. Edelweiss tours also offer a good balance between riding and learning and experiencing Andalusia's Arab influenced architecture, art and gastronomy. Andalusia tops all the motorcycle destinations I have been already.
