

## Experience largely unspoiled and pure nature on this tour through the Highlands of Iceland.

Iceland is known for its untouched nature, steaming volcanoes and scenic uniqueness. In addition, the island offers breath-taking motorcycle roads. Our motorcycle adventure tour will take you to the most beautiful places along remote roads and breath-taking nature.

Our motorcycle adventure begins in Reykjavik, from there we head North for the Highlands spotting the first majestic geysers and gorgeous waterfalls along the way. The street we will be riding on is the main street of the country, the famous Ring Road or Hringvegur. Later we will replace this road with less frequented gravel roads and then, at the latest, every off-road fan will get his money's worth for days. Even though the roads invite us to keep rolling, the opportunity to take some pictures of the biggest glacier in Europe, the Vatnajökull, just cannot be missed.

We will then ride back to the coast, once again via the Ring Road, to arrive back in Reykjavik, where our motorcycle adventure started a few days ago.

### Iceland - Fire and Ice

” I was looking for a tour being different and found Edelweiss' trip to Iceland. This is a place that seems to be stuck in a different time: Continental plates rubbing against each other, glaciers at close proximity, geysers spouting everywhere, spectacular waterfalls, lakes and lagoons, volcanic rock formations all over the island, black beaches, bubbling volcanoes, weather that changes every hour and the friendliest people you will ever meet. If Brontosaurus came around the next corner it would not be a surprise at all! Michael - our tour guide - had encyclopedic knowledge of this place and provided us with fascinating facts and explanations throughout our journey. The riding was excellent and the carefully chosen routes crisscrossed through Iceland rather than circumnavigating. It provided some off-road sections that took us to places where not many tourists venture. The reward was some

amazing scenery and the only challenge was to avoid stopping every few minutes to take more photos of the spectacular sights around us. This was my fourth Edelweiss tour and as always the planning and organization was meticulous from start to finish, including the choices for dinner menus to sample Icelandic specialties like shark, whale, puffin and the best fish soups you will taste anywhere. This tour has something for everybody, I can highly recommend it.
