

On this tour, we explore the Pyrenees and experience motorcycle heaven.

We ride on small, hidden roads through the Pyrenees from the Mediterranean to the Atlantic and back!

After the success of the Alps Extreme Tour, we know there are a lot of riders who want the long riding days and challenging roads. We ride up to the highest peaks and spend the night in remote places, far away from tourism. The natural beauty, outstanding scenery and excellent riding on empty roads are our reward.

We start close to Barcelona and drive along the southern side of the Pyrenees in Spain to the famous city of Pamplona, where the notorious bull race takes place every year. There we have a rest day to explore the city or take a ride to San Sebastián at the Atlantic Ocean. The next day we cross the border to France and follow the main mountain range back to the Mediterranean, crossing the border between Spain and France several times and enjoy some passes you might know from the Tour de France. There are not too many cultural highlights on this motorcycle tour, but you will have riding at its best in breathtaking scenery.

Pyrenees Extreme

” We toured the Pyrenees Extreme tour of Edelweiss Bike Travel in September 2014. The tour was challenging and fun. Our tour guide Michael had an uncanny skill of finding the most remote roads with almost zero traffic - he sometimes referred to as 'goat trails'. The ride itself was full of energy and surprises and spirited riding, the hotels we stayed were all classy and unique and the riding days were long, but never seemed long enough. What a great ride.
