

## Discover the land of the rising sun!

Japan - a mix of ancient traditions with modern technology, fantasy and creativity.

We start by riding the elevated highways of Tokyo leaving the frenzy metropolis behind, heading to the peninsula of Izu and its breath-taking skyline roads, followed by a visit to Japan's highest and most famous majestic peak: Mount Fuji. Up next is the Ise Bay, the ancient pilgrimage city of Koya and Kyoto, before we discover Himeji and its unique castle architecture. We continue riding North through the most beautiful roads like the "Mikata Five Lakes Rainbow Line" and the Chirihama Beach Driveway. Crossing the mountains of the Japanese Alps takes us to the spiritual world heritage city: Nikko.

This motorcycle tour through Japan will broaden your horizon, give you an insight into thousands of years of history and ensure a riding experience like no other!

Japan only recognizes International Driving Permits (IDP) based on the 1949 Geneva Convention. To join us on our Secrets of Japan Tour please bring an International Driving Permit (IDP) according to this convention, stamped A. Several countries do not issue 49 international driving permits, but Japan admits an official Japanese translation from the Japan Automobile Federation (JAF) for some of them. To know if you can join us in Japan, please choose your licence issuing country at- **IDP Check** -as the translation is not possible for all countries (for example not for Brazil).
