

The tour starts in Oslo, the capital of Norway and one of the smallest capitals worldwide. Through the wild and untouched Telemark region, we ride West, spending a night in a historic hotel in Vrådal before we reach the fjords one day later. Breath-taking scenery surrounds us as we cruise along the fjords or cross them via bridges or by ferry. Via Sogndal and Fjærdal we reach Jostedalsgreen National Park, home to continental Europe's largest glacier.

The Viking Experience

” I have been traveling with Edelweiss Bike Travel for many years now to the most beautiful countries in the world. Something about my recent The Viking Experience tour however has been different and special. It must have been a good combination of many different things. First of all my wife Hanna did agree to join me on this tour and I have been working hard to convince her ... :-). Our group did interact perfectly and our guide Manuel did do a great job - excellent bikers and great people. The main highlight was surely amazing Norway. The fjords, surrounded by wonderful mountains, the market in the port of Bergen and the Viking's ships are just a few of the wonderful things we experienced. I highly recommend this tour!
