

## Where we'll go? Top secret! Rainer = curvy roads, best food, selected wines, special accommodations, hidden treasures. What else do you need?

Dear Edelweiss family,

wow, I am overwhelmed. Who would have thought that my first „surprise tour“ outside Europe would be such a great success. I am happy that there are so many of brave people among our guests who are willing to go on an unknown adventure. The next trip of this 2-year tour offer will be something very special.

A new continent the landscape and culture, as we do not actually imagine in this country. Let yourself be enchanted by the country behind the great wall. The idea behind my „surprise tour“ has not changed. No participant will know where we are going. Every day we will experience something new, share pleasures and excitement with the other participants and simply try to enjoy every minute of our precious lives. Are you willing to stop thinking about your responsibilities for 17 days and instead simply live? If so, I would like to invite you to come with me on my personal “Surprise Tour 2024”.

Following the motto “Life is beautiful” I will take you on a very individual journey.

I am looking forward to riding with you!

With best regards,  
Rainer Buck

## Little, anonymous hints from our team members:

- Food is very important; both during the day and in the evenings. Nothing too fancy but good quality, local specialties in a pleasant ambience.
- Unknown, hidden highlights.
- This vacation is about more than motorcycling. The journey will to appeal to all our senses.
- If we are on the bike, the roads need to be awesome, with as many turns as possible, and most importantly off-the-beaten track.
- Frequent espresso stops are a must.
- No early rises, but also no early nights.
- Rainer appreciates a fine glass of regional wine in the evenings.

## Who should come on this tour?

Experienced riders; two-up most welcome; those who appreciate life and value the little treats life has to offer.
